Total residential cost: \$66,400 - Academic Year 2016-2017 (includes books, fees, etc)

Description of School

Where the cityscape of downtown Colorado Springs meets the Rocky Mountains sits Colorado College, a small, private liberal arts college with an approach to education as adventurous as its location. Adopted in 1970, Colorado College's Block Plan is a uniquely intensive academic schedule that allows students to dive into a different subject every three-and-a-half weeks.
