Description of School

Florida Institute of Technology is a fully accredited, coeducational, private university emphasizing education in the areas of science, engineering, business, psychology, and aviation. Located 3.5 miles from the Atlantic Ocean and 45 minutes south of Kennedy Space Center, Florida Tech is the largest private comprehensive scientific and technological university in the Southeast. Over 120 degrees are offered at the Bachelor's, Master's and Doctorate levels from five divisions: College of Engineering, College of Science, College of Business, College of Psychology and Liberal Arts and the College of Aeronautics. The most popular majors include aerospace, civil and electrical engineering, marine biology, astronomy, meteorology, and aviation management with flight technology. Our newest programs are in forensic psychology and astrobiology. NCAA Division II sports; rolling admission; scholarships available: \$12,000 to half tuition per year.
