### **Description of School**

IUPUI is Indiana's urban research institution and 3rd largest university campus. We combine the academic strengths of both Indiana University and Purdue University with the advantages of being located in a diverse and dynamic urban setting. With over 350 academic programs IUPUI offers more academic choices than any other university in the state. IUPUI is home to Indiana's only medical school, dental school and the country's largest nursing school. Approximately 85% of Indiana's dentists were trained at the School of Dentistry. More than half of Indiana's physicians come from the School of Medicine. Nearly half of the state's lawyers attended the Law School. More than one third of Indiana's nurses come from the School of Nursing.

\*IUPUI is a member of the Midwest Student Exchange Program. Missouri residents receive a MSEP award of approximately \$17,000/year bringing the cost of tuition to approximately \$12,200/year. More information about MSEP can be found here <http://enroll.iupui.edu/admissions/msep.html>.
