Illinois Wesleyan University, an independent, liberal arts university founded in 1850, provides a liberal education with unique opportunities and distinctive curricula. Illinois Wesleyan fosters creativity, critical thinking, effective communication, strength of character and a spirit of inquiry. Our curriculum deepens the specialized knowledge of a discipline with a comprehensive world view. The Illinois Wesleyan experience affords the greatest possibilities for realizing individual potential while preparing students for democratic citizenship and life in a global society. We help students to follow a wide range of career and life paths, offering intensive curricula in the STEM, business, nursing, social sciences, and fine arts fields of study, along with professional programs as well as opportunities for interdisciplinary study and off-campus learning. The University is committed to diversity, social justice and environmental sustainability. A tightly knit, supportive community, together with a variety of opportunities for close interaction with excellent faculty, both challenges and supports students in their personal and intellectual development.
