**Percent who graduate in 5 years:**

**Tuition:** \$45,500

**Total residential cost:** \$55,600 (includes books, fees, etc)

### **Description of School**

Lake Forest College is a private liberal arts college located 30 miles north of the city of Chicago. With students hailing from nearly all 50 states, and over 70 countries, our 1550-student population is a diverse one. Students have the opportunity to study up to three academic areas across disciplines, and about half of our students double major. You'll have the ability to use Chicago as an extension of your classroom, for research, for internships, and for fun, and be able to choose from over 200 off campus programs to expand your horizons. With 19 varsity Division III athletic teams and over 70 clubs and organizations, we'll keep you busy outside of the classroom. We provide exceptional career preparation, and it shows-over 95 percent of our graduates in the last five years have found jobs or been placed in graduate or medical programs within six months of graduating.
