Description of School

Established in 1853, Monmouth College is a small, private liberal arts college located in Monmouth, IL (approximately 3.5 hours from St. Louis). With 33 states and 33 countries represented in the current student body, we are a diverse institution that encourages opportunities such as off-campus study and internships. We have a US Passport program which pays for all incoming freshman to receive a passport to encourage study abroad. As an NCAA DIII institution, 50% of our students are involved in our 24 varsity athletic teams and intramural sports. The fine arts are very active on campus as well, with opportunities including vocal, instrumental, visual arts, and theatre. Our students are multi-faceted and engage in over 120 clubs and organizations on campus. With 95% of students living on campus all four years (including residence halls, Greek houses, and apartments), Monmouth College fosters a tight-knit and actively-involved campus community.
