Description of School

We are a private, Catholic, Liberal Arts school located in Manchester, NH. We were founded by the Benedictine order in 1889. Manchester is a small city in New England, an hour north of Boston. Southwest flies in the Manchester airport, which is 15 minutes from campus, making travel to campus extremely easy. We have a beautiful, sprawling campus with the benefit of being in a city within 10 minutes. Our most popular majors are business, politics, nursing, biology, criminal justice, and education. We are the home to the New Hampshire Institute of Politics which is a political center on campus that hosts politicians and events throughout the year. In fact, we have hosted the Democratic and Republican primary presidential debates on campus for the past few presidential races. We also have very unique majors including German Studies, Peace and Justice Studies, Great Books, a 3-2 Engineering Program (partnered with Notre Dame), Classics, and Archaeology. Take a visit to campus!
