Description of School

Located in Kirksville, MO, about three and a half hours from St. Louis, Truman provides a private school experience at a public school price. We are Missouri's only highly-selective, liberal arts and sciences public university. Home to nearly 6,000 passionate, engaged, and collaborative students, Truman offers 40+ academic programs, study abroad opportunities in 50 countries, and 98% placement within six months of graduation. Truman's greatest asset is our students, and they regularly gain admission to the most competitive internships (4 students offered White House Internships 2015-16) and graduate/professional schools. In athletics, Truman's 20 varsity teams compete in the Great Lakes Valley Conference of NCAA Division II, and for Fall 2016-17 our purple and white Bulldogs have taken home the conference championships in football, volleyball, women's soccer, and women's swimming. To cap it off we offer a gorgeous, intimate campus, and we'd love to show you around! We welcome campus visitors every M-F, as well as through some weekend visit opportunities during the school year. You can learn more and schedule your visit at <http://visit.truman.edu>!
