### **Description of School**

At Vanderbilt, learning happens all the time - in classrooms and labs, at internships and during study abroad, and even in your campus residence. Is the academic environment intense? Sure. But you'll also find it collaborative and supportive. Some lessons are best learned outside of class. The Vanderbilt community brings students, faculty, and staff together in more than 530 organizations that fulfill the varied interests of more than 6,000 undergraduates.
